SUMMARY

Computer Science and Engineering student with a 9.44/10.0 CGPA and strong foundations in C, Python, and Data Structures and Algorithms. Interested in software development, problem solving, and building practical technology solutions. Experienced in developing a personal web project and mentoring participants through technical workshops. Eager to strengthen technical skills through continuous learning, collaboration, and hands-on problem solving.

EDUCATION

Shri Vishnu Engineering College for Women

Bachelor of Technology in Computer Science and Engineering

Bhimavaram, AP

Sep. 2025 – May 2029

- **CGPA: 9.44 / 10.0** | Coursework: C Programming, Data Structures and Algorithms

Narayana Junior College

Intermediate (Class XII), MPC

Gudivada, AP

2023 – 2025

- **Score: 97.1%**

DR. K K R Gowtham School

Secondary School Certificate (Class X)

Gudivada, AP

2022 – 2023

- **Score: 88.3%**

PROJECTS

Portfolio Website | *HTML, CSS, JavaScript*

- Designed and developed a personal portfolio website with a responsive layout, animated starfield background, and smooth-scroll navigation.
- Applied HTML, CSS, and JavaScript to create an interactive and user-friendly web experience.
- Built the project independently as hands-on web development practice and deployed it using GitHub Pages.
- palankidhanyasri.github.io/Portfolio1

LEADERSHIP & MENTORING

Team Instructor – Lovable AI Workshop

Certificate of Appreciation – Website and Web Application Development

SVECW

2025

- Guided participants in building websites and web applications, providing technical support and mentoring during the workshop.
- Helped participants understand development tasks and supported them in implementing their ideas during the workshop.
- Encouraged collaborative learning by assisting participants with technical questions and project development.
- Recognized with a Certificate of Appreciation for leadership, technical guidance, and contribution to the workshop.

TECHNICAL ACTIVITIES

Participant – IDEATHON 2026

Certificate of Appreciation – IDEATHON-2026

SVECW

Aug. 2026

- Contributed to **Aquwise AI – To Reduce Water Consumption in Data Centers**, exploring AI-driven approaches for sustainable water management.
- Explored the application of technology and AI concepts to address sustainability challenges in data-center operations.

Participant – Adobe University Hackathon

Certificate of Participation

Adobe

2026

- Participated in the Adobe University Hackathon, gaining exposure to technical problem solving and collaborative development.
- Engaged with a competitive problem-solving environment and gained experience working on technical challenges.

TECHNICAL SKILLS

Languages: C, Python

Tools: VS Code
